Service Fees

The Board of Directors for Rural Franklinton Water Corporation established the rate schedule for the installation and service lines (meters) to customers or prospective customers. Below is a list of the possible cost to complete such services being requested.

Fees		Description
Meter Deposit	\$50.00	To install a New Meter and the main water service is on the same side as the existed service line, if new service is on the opposite side of main water line, then the price will be the cost of extra pipes and fittings to extend the service line plus regular fees. (NOTE: Service guys will determine if additionally, cost is involved).
Membership	\$50.00	
New Installation	\$650.00	
Total	\$750.00	
Transfer	\$100.00	To Transfer a meter where an existing service line is available, and the prospective customer was never a member, but now owns the property and can show proof of ownership. If you own another meter, you will not pay for another membership.
Deposit	\$50.00	
Membership	\$50.00	
Total	\$200.00	
Reconnect	\$50.00	To Reconnect a meter where existing service line is available, and the joining customers were a formal member. Provided there is not an existing bill when disconnected service. (NOTE: Previous bill must be paid)
Deposit	\$50.00	
Total	\$100.00	
Connection	\$100.00	To provide service to Renters where there is an existing service line and must have written permission from owner to use the water meter. (NOTE: Deposit will be returned once final bill is paid in full).
Membership	\$50.00	
Renter's Deposit	\$200.00	
Total	\$350.00	
Residential	\$50.00	Deposit: All deposit will be returned once final bill has been paid in full and must request for deposit to be returned. (NOTE: Forms should be completed in office and with proper information)
Commercial	\$75.00	
Renter's	\$200.00	
Cut off Fee	\$50.00	DISCONNECT FEE (CUT OFF DAY) TO HAVE SERVICE RESTORED ONCE ON LIST
Damaged Fee	\$250.00	DAMAGED TO METERS AND BREAKING LOCK/TAGS ON METER (NOTE: Criminal charges will be filed against anyone damaging water Utility property.)
Service Fee	\$50.00	If service guys are called out for a problem that does not exist, after previously addressing the problem.
Penalty		After the 15 th of each month penalties applies for past due customer. (Delinquent customers)
Road Bores: Prices for all Parish and State Highways will be according to cost estimates		To install a new service line Road Boring is required - To cross a state, parish and paved road, the fee will be according to feet across the road. It does not include installation fees. Prices may vary according to contract for state highways.
PLEASE NOTE: For new expansion or projects, the cost will vary, and Operator will do a cost estimate for each job.
