Service Fees

The Board of Directors for the Rural Franklinton Water Corp. establishes the rate schedule for the installation and reinstallation of service lines (meters) to customers or prospective customers. Below is a list of the possible service and cost to complete such services being requested.

Description	Rates	
To reinstall a meter where existing service line is available and the joining customers were a formal member. Provided there is not an existing bill when disconnected service. (NOTE: Previous bill must be paid)	Reconnect	\$25.00
	Deposit	\$50.00
	Total	\$75.00
To reinstall a meter where existing service line is available, and the prospective customer was never a member, but now owns the property and can show proof of ownership. Provided an immediate family member does not owe an existing bill. (NOTE: must be paid)	Transfer/ connection	\$25.00
	Deposit	\$50.00
	Membership	\$50.00
	Total	\$125.00
To install a new service line (meter) and the main water service is on the same side of the road as the existed service line, but if new service is on the opposite side of main water line, then the price will be the cost of extra pipes and fitting to extend the service line plus regular fees.	Meter Deposit	\$50.00
	Membership	\$50.00
	Installation	\$250.00
	Total	\$350.00
To provide service to renters where there is an existing service line, and must have written permission from owner to use water meter. Deposit will be returned once final bill is paid in full.	Connection	\$25.00
	Membership	\$50.00
	Renters Dep.	\$175.00
	Total	\$250.00
To install a new service line (meter) when road boring is required. To cross a state, parish and paved road. This fee will be according to feet across the road. It does not include service line installation fee. Prices may vary according to contract for state highways.	Prices for all Parish and State Highways will be according to cost estimates.	
Other fees apply as following Disconnect Fees (Cutoff day) Damaged to meters and breaking lock/tags on meters * *Criminal charges will be filed against anyone damaging water Utility property. After 16 th of each month additional penalties applies for past due (Delinquent customers).	Cut off day	\$50.00
	Service Fee	\$150.00
	Delinq. Fee	\$5.00
Deposit: All deposit will be returned once final bill has been paid in full.	Residential	\$50.00
	Commercial	\$75.00
	Renters	\$175.00
PLEASE NOTE: For new expansion or projects, the cost will vary and Operator will do a cost estimate for each job.
